- The HCPCS code is highlighted in the list.
- Look to the upper left corner to see that you are in your cbsa and record the information.
(Note: The procedure indication, modifier and the FC and FB modifier amounts will be listed if applicable.)

- To search for another payment amount, repeat steps 3-5. (Note: If you enter just the next HCPCS code and do a search, the search may take you out of your cbsa region in the state file. So it is best to start back with entering “cbsa: #####” and then the HCPCS code.)
