

Ask the Contractor Teleconference Question Submission Form

The Ask the Contractor Teleconferences (ACTs) are designed to open communication between the provider community and Noridian, which allows for timely identification of problems and sharing of information in an informal and interactive atmosphere. Use this form to submit your question at least 5 days prior to the ACT. Questions submitted with this form will be answered first. Lines will then be opened for additional questions, as time permits. Do not include any Personal Health Information (PHI) or claim specific inquiries. Claim specific questions must be submitted to the Provider Contact Center.

Date of ACT: _____

Facility Name: _____

Contact Name: _____

Contact Phone: _____

Email: _____

Topic: _____

Question:

Submit By Email

If you have trouble using this form, email a description of the issues you encountered as well as your ACT question to ptbactproviderquestions@noridian.com
