

NORIDIAN EMAIL LISTS

Delivering timely information to our Medicare community

Providers are encouraged to register for the Noridian email list. After completing a one-time, five-minute activity, providers will be emailed notifications of Medicare updates, changes, education events, and time-sensitive information. The information included in the email list is also available on the Latest Updates portion of our website.

Each email includes an article title, CMS source if applicable, a summary, and a hyperlink to read the complete article. Articles are categorized based on the user's subscribed interests:

Subscribed Interests:

Articles are categorized and displayed based on categories of interest selected during registration.

Recent Announcements Published to “Latest Updates”:

Some articles apply to all and/or most providers/suppliers and are sent to all subscribers.

Additional Features:

- Advertisements that draw attention to existing web site content that has already been published but is always relevant and popular.
- Links to all articles, office closures, educational events, upcoming changes, and Medicare partners are provided as a convenience.
- The ability to manage your subscription.

Everyone in your office can sign up for:

- The latest news and information in your email each week
- Up-to-date Medicare regulations
- Educational event notices
- Medical policies
- Payment and reimbursement updates
- Office hours/notifications
