Medical Documentation

- General coverage criteria for a Power Mobility Device have been met; and
- The beneficiary has been self-propelling in a manual wheelchair for at least 1 year; and
- The beneficiary has had a specialty evaluation that was performed by a licensed/certified medical professional, such as a PT or OT, or practitioner who has specific training and experience in rehabilitation wheelchair evaluations and that documents the need for the device in the beneficiary’s home. The PT, OT, or practitioner may have no financial relationship with the supplier.
