

**Policy References:** [Local Coverage Determination Manual Wheelchair Bases \(L33788\) and Policy Article \(A52497\)](#)

**Documentation References:** [Standard Documentation Requirements Policy Article \(PA\) A55426](#)

The treating clinician must complete the following items:

- [Standard Written Order \(SWO\)](#)
- Medical record documentation requirements (see below)

### **Medical Documentation**

- All criteria in the Standard Manual Wheelchair checklist.
- A specialty evaluation performed by a licensed/certified medical professional (LCMP), such as a PT or OT, or a clinician who has specific training and experience in rehabilitation wheelchair evaluations, and that documents the medical necessity for the wheelchair and its special features.

*Tilt-In-Space Manual Wheelchairs have the ability to tilt the frame of the wheelchair greater than or equal to 20 degrees from horizontal while maintaining the same back to seat angle.*
