

NORIDIAN AND CGS ADMINISTRATORS, LLC (CGS) SELF SERVICE TOOLS AND RESOURCES

As the four Durable Medical Equipment Medicare Administrative Contractors (DME MACs), CGS and Noridian are responsible for processing and paying Durable Medical Equipment, Prosthetics, Orthotics, and Supplies (DMEPOS) for Medicare beneficiaries.

The permanent address of the Medicare beneficiary determines the jurisdiction responsible for processing claims. Below is a breakdown of each jurisdiction and the associated states:

Jurisdiction A DME MAC is administered by Noridian for the states of Connecticut, Delaware, Massachusetts, Maine, Maryland, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, Vermont, and District of Columbia.

Jurisdiction B DME MAC is administered by CGS for the states of Illinois, Indiana, Kentucky, Michigan, Minnesota, Ohio, and Wisconsin.

Jurisdiction C DME MAC is administered by CGS for the states and U.S. territories of Alabama, Arkansas, Colorado, Florida, Georgia, Louisiana, Mississippi, New Mexico, North Carolina, Oklahoma, Puerto Rico, South Carolina, Tennessee, Texas, US Virgin Islands, Virginia, and West Virginia.

Jurisdiction D DME MAC is administered by Noridian for the states and U.S. territories of Alaska, Arizona, California, Hawaii, Idaho, Iowa, Kansas, Missouri, Montana, Nebraska, Nevada, North Dakota, Oregon, South Dakota, Utah, Washington, Wyoming, American Samoa, Guam, and the Northern Mariana Islands.

The tools and resources contained in this document will assist you in receiving timely Medicare updates, accessing beneficiary eligibility, claim status, same or similar information, and more.

CGS and Noridian are committed to supporting DMEPOS suppliers as partners in Medicare beneficiary care.

Noridian Medicare Portal (NMP)

The Noridian Medicare Portal (NMP) is a free and secure, internet-based portal that allows users access to beneficiary and claim information. The portal login screen provides notification to users in the Availability section if an inquiry is under maintenance or unavailable. Important reminders are posted under the Notifications & Updates section.

Portal Guide

Noridian and CGS Self Service Tools and Resources

Last Updated 3/27/2025

Prior Authorization	Check the status of PMD and PRSS prior authorization requests status, view the reviewer notes, and add/ view related documents.
Same or Similar	Search by HCPCS code and date of service or search by a range of codes. NMP returns the submitted and approved HCPCS codes, initial date on file, recertification/revised date, last day item was billed, name and phone number of the supplier, type, status, and total rentals.
Financials	Access the prior 50 checks and the billed amounts of claims pending on the payment floor. View a summary of claims that may have caused an overpayment. 1099 forms issued by Noridian are also available.
Remittance Advices	Claim-specific and full remittance advices are available.
Appeals	Suppliers are highly encouraged to submit their redetermination requests and supporting documentation securely through the portal. Check the status of the prior 100 submitted redeterminations or written reopenings or search for a specific redetermination on file.
Self-Service Reopenings	Users may initiate reopenings regarding the billed amount, date of service, diagnosis, modifier, MSP type, place of service, or referring and rendering provider.

myCGS Web Portal

Each day, suppliers complete thousands of claims, eligibility-based inquiries, and other transactions through myCGS. The myCGS portal provides registered users with instant access to detailed information, ranging from beneficiary eligibility records to specific claims processing and payment information.

myCGS Registration Guide

myCGS User Manual

myCGS offers a wide range of functionality and support, such as:

- Beneficiary Eligibility
- Claim Status
- Same or Similar information
- ADR Viewing and Responding
- Redetermination and Reopening Status
- ADMC and Prior Authorization Submission and Status
- MBI Lookup Tool
- Redeterminations, Reopenings, and Claim Correction Submission

The myCGS web portal includes all of the functionality contained in the IVR, PLUS more detailed features than the IVR can provide.

Educational Opportunities with Provider Outreach and Education (POE)

The main goal of POE is to reduce improper payments through education with emphasis on claims being adjudicated correctly upon initial submission. CGS and Noridian welcome you to explore and participate in our robust supplier outreach and education programs to achieve this goal.

Visit our education web pages to begin engaging with POE at in-person and virtual events.

- Noridian Jurisdiction A
- <u>CGS Jurisdiction B</u>
- <u>CGS Jurisdiction C</u>
- <u>Noridian Jurisdiction D</u>

Below is list of popular resources found on the respective education web pages.

Category	Contents Included
Webinars	Webinars are conducted free of charge using internet-based meeting software.
In-Person Education	Noridian and CGS host in-person workshops, provide DMEPOS education at a variety of state and national association meetings. POE also attends, exhibits, and educates at various tradeshows.
Personalized Education Request	POE can provide suppliers with individualized education that is specific to your company and tailored to specific educational needs.
Courses	On Demand Education Courses are pre-recorded online presentations that enable viewers to watch and listen to education segments at their convenience. These presentations cover a variety of topics and specialties.
Question & Answer Sessions	Do you want to ask POE a question? Noridian hosts a Monday Live Chat each week at 2 p.m. CT. During the question-and-answer sessions, POE is available for suppliers to ask questions, either verbal or written.
Ask the Contractor Meetings (ACMs)	If you have a question on your mind and are not sure who to ask, the Ask the Contractor Meetings (ACMs) are your opportunity to speak directly to your contractor. Knowledgeable DME MAC staff from a variety of functions within Noridian or CGS are available to answer supplier questions during the AC teleconferences.

Tools for Success

CGS and Noridian have a variety of tools and calculators on our websites that provide helpful information and ensure that our suppliers are well informed.

Tool and Calculators Locations:

- Jurisdiction A
- Jurisdiction B
- Jurisdiction C
- Jurisdiction D

Popular tools found on the respective web pages:

Fee Schedule Lookup Tool

A fee schedule is a complete listing of fees used by Medicare to pay suppliers. This comprehensive listing of fee maximums is used to reimburse a supplier for items and services. The Fee Schedule Lookup Tool provides current and previous Medicare allowed amounts for DMEPOS items and a listing of past and present national drug, pharmacy supply, and dispensing fees.

Documentation Checklists

Documentation checklists help suppliers ensure all applicable documentation is readily available as part of Medicare claims payment and processing activities. These checklists assist suppliers in understanding the documentation needed to allow for Medicare coverage.

Dear Physician Letters

POE has teamed up with the DME MAC Medical Directors to convey proper dialogue to physicians and prescribing practitioners about policy requirements. Dear Physician Letters can be printed and given to physicians and prescribing practitioners with questions as to what meets Medicare guidelines.

Calculators

CGS and Noridian offer various calculators to assist with submitting claim appeals timely, the proper number of units to supply and bill for nutrition, inhalation medication, and much more.

Medical Review Audit Information

Looking for details on claims undergoing medical review? Noridian and CGS offer this information via the Medicare portals. You will find explanations of medical review denials, the status of Additional Development Requests (ADRs), and claim processing information.

Not a portal user? The CGS Wizard can help. The CGS Wizard contains processed claim details for all claims submitted to Jurisdictions B and C, as well as ADR statuses, medical review decisions, and other resources.

Enter a 14-digit CCN (claim control number), and the CGS Wizard will give you the claim and/or medical review denial details you need.

Noridian Listserv (Electronic Mailing List)

Delivering timely information to our Medicare community

Suppliers are encouraged to have all your staff register for the Noridian email listserv by completing a one-time, five-minute activity. Suppliers will be emailed notifications of Medicare updates, changes, education events, and time-sensitive information every Tuesday and Friday.

Articles are categorized based on your registration:

Subscribed Interests: The articles are categorized and displayed based on your registration and categories of interest.

Recent Announcements Published to "Latest Updates": Some articles apply to all and/or most providers/suppliers and are sent to all subscribers.

Additional Features:

- Advertisements are included to draw attention to existing web site content that may have already been published but is still relevant.
- Links to all articles, office closures, educational events, upcoming changes, and Medicare partners are provided as a convenience.
- Manage your subscription.
